Profile

Hi, my name is José, I am Portuguese, I was born in October 2002 and I am 21 years old. I joined this world of programming in 2019, while working with .NET C#. Since then, I have never stopped from learning new concepts and various technologies in different areas of software. Currently, I am on my last year of Master Degree and after that I want to start working.

Experience

Summer lab

Jul 2023

ITSector

- Worked on web development using Java (Sprint Boot)
